

Guess the 3D Object

- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |
- The 3D object has:
- | | | |
|--------------------------|--------------------------|--------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | curved surfaces |
| <input type="checkbox"/> | <input type="checkbox"/> | edges vertices faces |

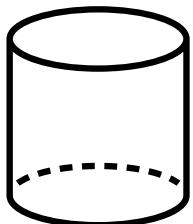

Put glue on this column and attach page 1
