

# Make a 3 Digit Number

Play with a partner to make a 3 digit number. Spin a numeral and choose whether to put it in the hundreds, tens or ones position. You can even decide to put it on your partners board! Once the number is written it cannot be moved.

## Make the biggest number.

Hundreds	Tens	Ones

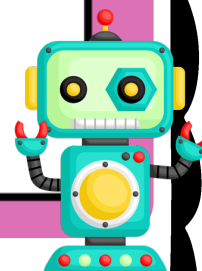

## Make the smallest number.

Hundreds	Tens	Ones

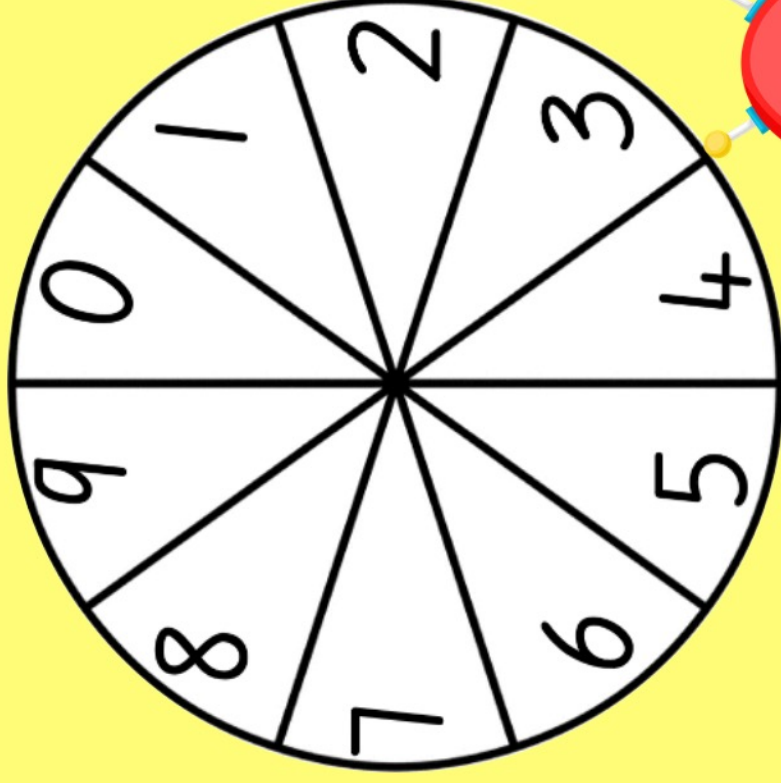

## Make the number closest to 500.

Hundreds	Tens	Ones
