

Addition Using Fingers

$1 + 5 = \square$

$2 + 4 = \square$

$1 + 3 = \square$

$4 + 1 = \square$

$5 + 5 = \square$

$2 + 4 = \square$

$2 + 2 = \square$

$5 + 3 = \square$

$1 + 2 = \square$

$1 + 5 = \square$

$3 + 1 = \square$

$1 + 1 = \square$

$4 + 3 = \square$

$5 + 4 = \square$

Addition Using Fingers

$1 + 5 = \square$

$2 + 4 = \square$

$1 + 3 = \square$

$4 + 1 = \square$

$5 + 5 = \square$

$2 + 4 = \square$

$2 + 2 = \square$

$5 + 3 = \square$

$1 + 2 = \square$

$1 + 5 = \square$

$3 + 1 = \square$

$1 + 1 = \square$

$4 + 3 = \square$

$5 + 4 = \square$

Cut out the hands and glue them onto page 2. Only put glue on the palm of the hands so the fingers are not glued down. Use the fingers to solve the addition problems.
