

# SUBORDINATE CONJUNCTIONS

<b>I</b>	if	Happens when something else happens.
<b>S</b>	since	Tells why or when something happens.
<b>A</b>	as	Shows why or when things happen.
<b>W</b>	when	Tells when something happens.
<b>A</b>	although	Says something different is true.
<b>W</b>	while	Shows two things happening at the same time.
<b>A</b>	after	Happens when following something else.
<b>B</b>	before	Happens earlier than something else.
<b>U</b>	until	Keeps going up to a point.
<b>B</b>	because	Tells why something happens.

# SUBORDINATE CONJUNCTIONS

I	if	Happens when something else happens.
S	since	Tells why or when something happens.
A	as	Shows why or when things happen.
W	when	Tells when something happens.
A	although	Says something different is true.
W	while	Shows two things happening at the same time.
A	after	Happens when following something else.
B	before	Happens earlier than something else.
U	until	Keeps going up to a point.
B	because	Tells why something happens.
