

Fruit Salad Fractions

Print out the fruit you would like your class to cut out. Page 2 has no scaffolding and students need to cut the fruit in half without any lines to help. Page 3 students can cut the fruit out but there is a line to help then identify where half way is. Page 4, students can cut the fruit into quarters. Students can then glue the cut up fruit into the bowl on page 5.

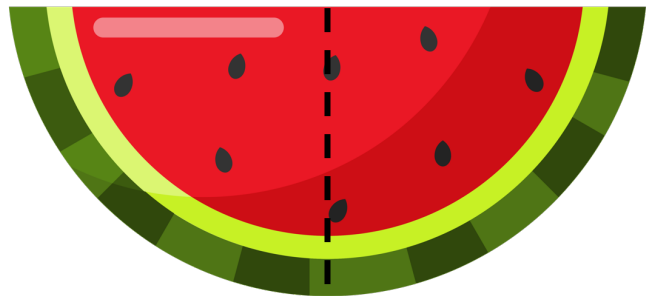

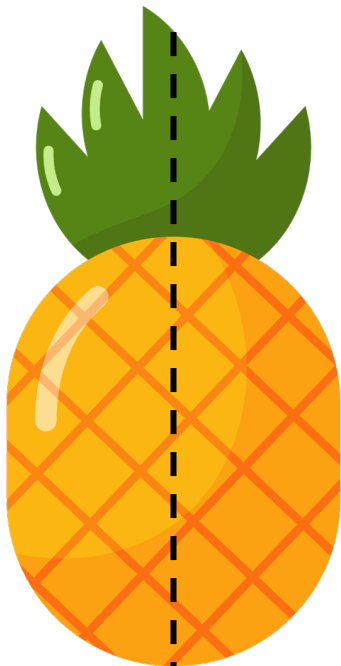

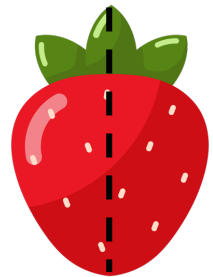

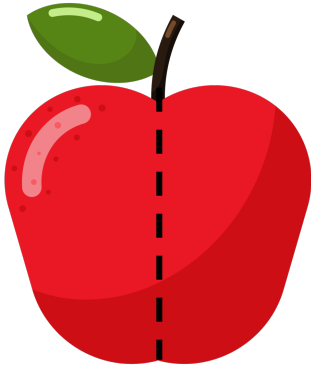

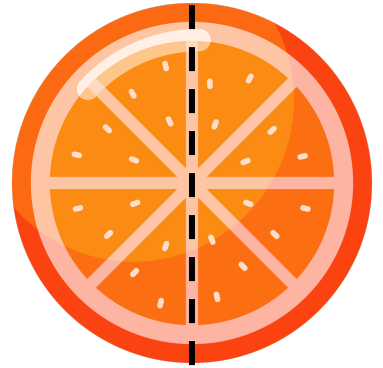

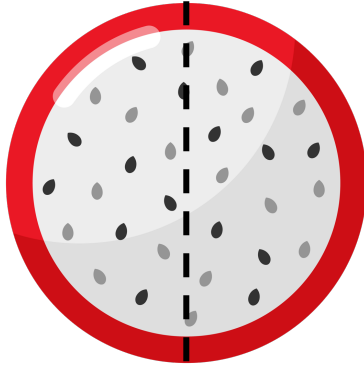

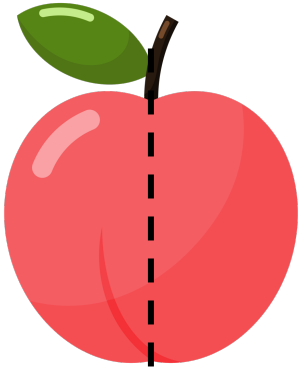

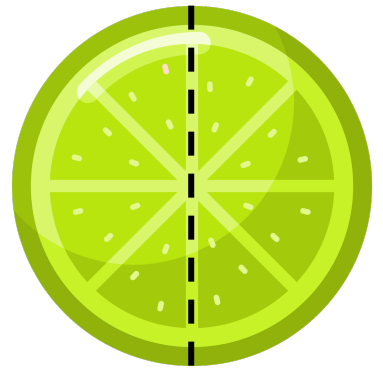

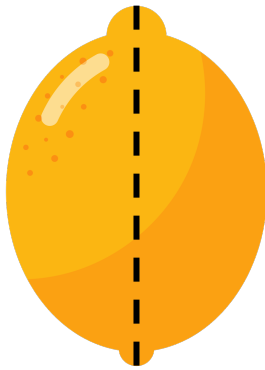

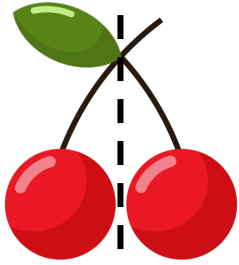

Fruit Salad Fractions

Make a fruit salad by cutting eat fruit in half and gluing it in the blue bowl.

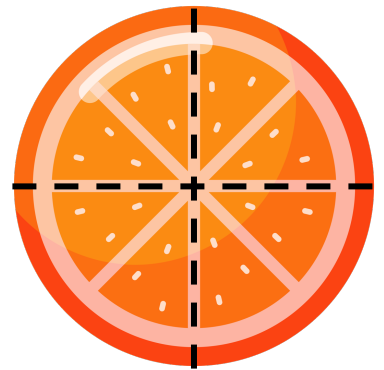

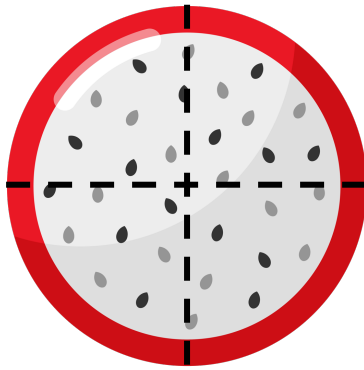

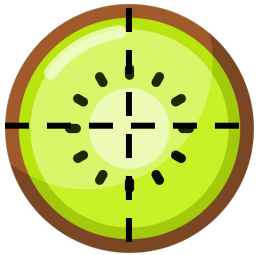

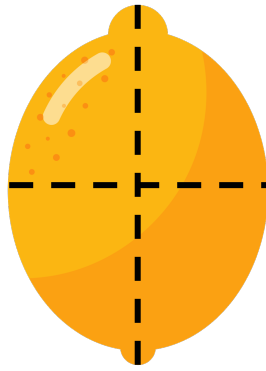

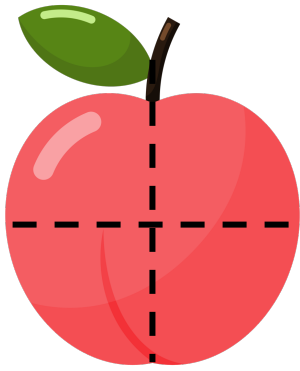

Fruit Salad Fractions

Make a fruit salad by cutting eat fruit in half and gluing it in the blue bowl.
