

Spin, Expand, Write

Use a paper clip or spinner to spin a number on the wheel. Write the numbers shown. Draw the number in Base 10 Blocks and then write the number.

<i>Spin It</i>	<i>MAB</i>	<i>Write It</i>
<div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">Tens 2</div> <div style="text-align: center;">Ones 8</div> </div>		28
<div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">Tens <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> <div style="text-align: center;">Ones <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> </div>		
<div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">Tens <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> <div style="text-align: center;">Ones <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> </div>		
<div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">Tens <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> <div style="text-align: center;">Ones <div style="border: 1px solid black; width: 40px; height: 40px; margin: 0 auto;"></div></div> </div>
