

Make a 4 Digit Number

Play with a partner to make a 4 digit number. Spin a numeral and choose whether to put it in the thousands, hundreds, tens or ones position. You can even decide to put it on your partners board! Once the number is written it cannot be moved.

Make the biggest number.

Thousands	Hundreds	Tens	Ones

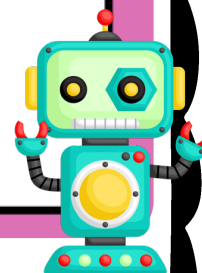

Make the smallest number.

Thousands	Hundreds	Tens	Ones

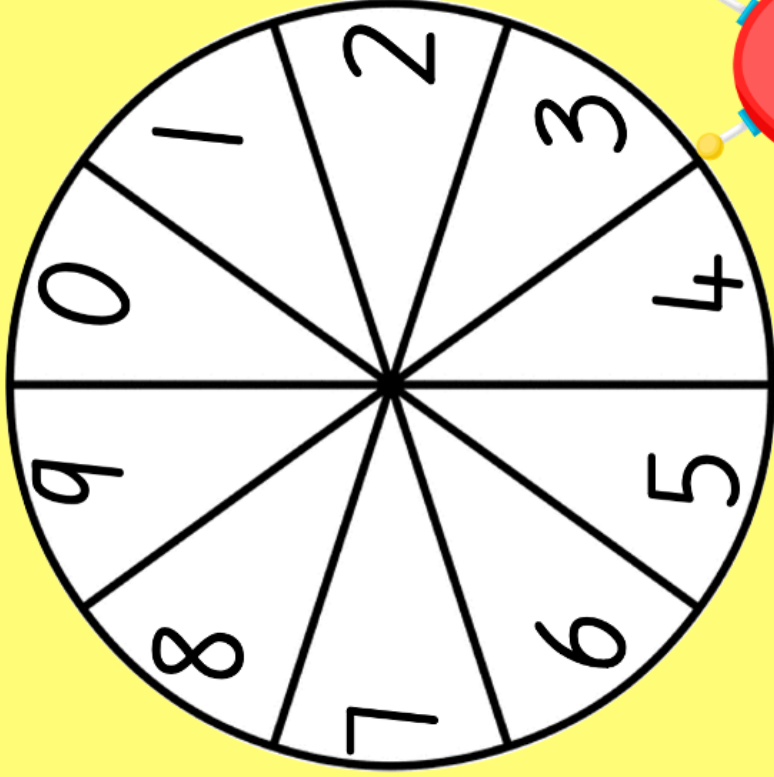

Make the number closest to 5000.

Thousands	Hundreds	Tens	Ones
