

# Time Before and After

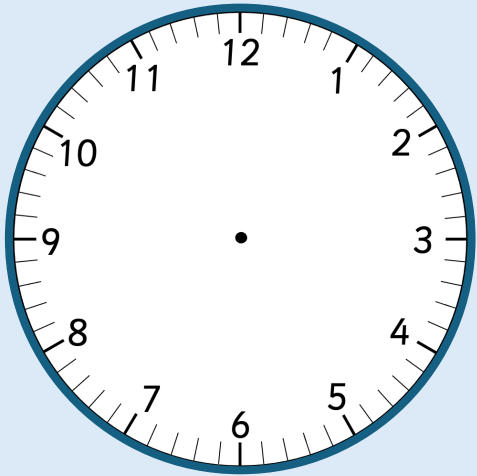

- Print out pages 2 – 6 on card. Laminate each page.
- Attach 2 spinning wheels to page 6.
- Spin the 2 wheels to make a time.
- Use a dry erase marker to make the given time on the analogue and digital clock.
- Fill in the clocks for the given time before and after.

The image shows a worksheet with two main sections. The left section is titled "Time Before and After" and features a cartoon girl holding a pencil. It contains three cards: "15 minutes Before" with an analogue clock showing 10:15 and a digital display of 10:15; "spin a Time" with an analogue clock showing 10:30 and a digital display of 10:30; and "15 minutes After" with an analogue clock showing 10:45 and a digital display of 10:45. The right section is titled "Make a Time" and features two spinning wheels: "Hours" with a blue arrow pointing to 10 and "Minutes" with a purple arrow pointing to :30. The logo for "Smart Boarding School" is visible at the bottom of each section.
